# ANNUAL GENERAL MEETING

The Annual General Meeting took place on March 21, 2023, with full attendance from all members. Following a warm welcome to members, workers, and guests, the organization's secretary invited the chairman to commence the meeting.

Upon assuming the chair, the chairman initiated proceedings by highlighting the various activities undertaken by the organization leading up to March 21, 2022. Subsequently, copies of the audited accounts were distributed among members, detailing the financial transactions amounting to Rupees during the specified period.

The organization's overarching goal is to ensure quality education, sustainable livelihoods, and employment opportunities for underprivileged individuals. Through a range of initiatives, it endeavors to catalyze socio - economic development among its target beneficiaries, fostering empowerment and growth. Since its inception, the organization has implemented diverse programs and projects spanning literacy, healthcare, livelihood enhancement, environmental conservation, agriculture development, women and youth empowerment, and rural infrastructure.

The chairman further underscored the significant achievements of the society during the reporting period and outlined forthcoming plans to continue its impactful work.

# TECHNICAL MANAGEMENT

The management information system in the organization keeps the board of members informed about all financial and program implementation activities in the organization. Regular monthly meetings are conducted with the concerned project/office staff for reviewing the program activities. Detailed deliberations are conducted in the meetings and decisions are arrived at after reaching a consensus on major issues. Reporting relationship is also maintained both upwards and downwards with regular flow of information. The board also reviews the work of the organization and gives necessary direction based on feedbacks from the field.

# FINANCIAL MANAGEMENT

As far as financial management is concerned, the organization is guided by transparency in operations. A computerized accounting System is in place and tally software is implemented for accounting purposes. A monthly financial statement is prepared to monitor the financial status of each project. All the accounts (Cashbook and ledgers) are maintained on daily basis. For different projects, separate books of accounts, records are maintained and the same are audited by an external auditor. The organization has bank accounts in a nationalized bank and further need-based bank accounts are opened and operated by the organization. Periodical reports are generated for MIS purpose and submitted to project sanctioning authorities as per guidelines.

# RAPPORT AND LIAISON OF THE ORGANIZATION

The organization maintains good rapport and liaison with various government departments at all levels who have been always helping the organization in implementing programs. It also continues to maintain good liaison with all the funding organization that have supported the organizations not only in the past but also under the ongoing program. Further at the grass root level also close coordination is maintained with PRIs, CBOs, social activists, community leaders etc.

# ORGANIZATIONAL POLICIES

## **Human resource policy:**

A well laid out HR manual containing modern management principles guide the organization in all spheres of HR functions comprising recruitment, appointment, job responsibilities, remuneration, increment, leave entitlements, statutory compliance, upgradation of management skills, disciplinary behavior, and resignation/termination and exit interview. These enable the individuals concerned to bring forth their best for the betterment of the organization.

## **Procurement Policy:**

A transparent procurement policy is followed by the organization for purchase of all materials required for program implementation and office requirements. Competitive quotations are invited and the same are compiled and studied before finalization of orders without making compromise for quality and price. For procurement of large scale items advertisements are issued in news papers inviting tenders. Comparative studies are conducted and negotiations are done with short listed parties to further economize on rates so that precious resources are not spent wastefully.

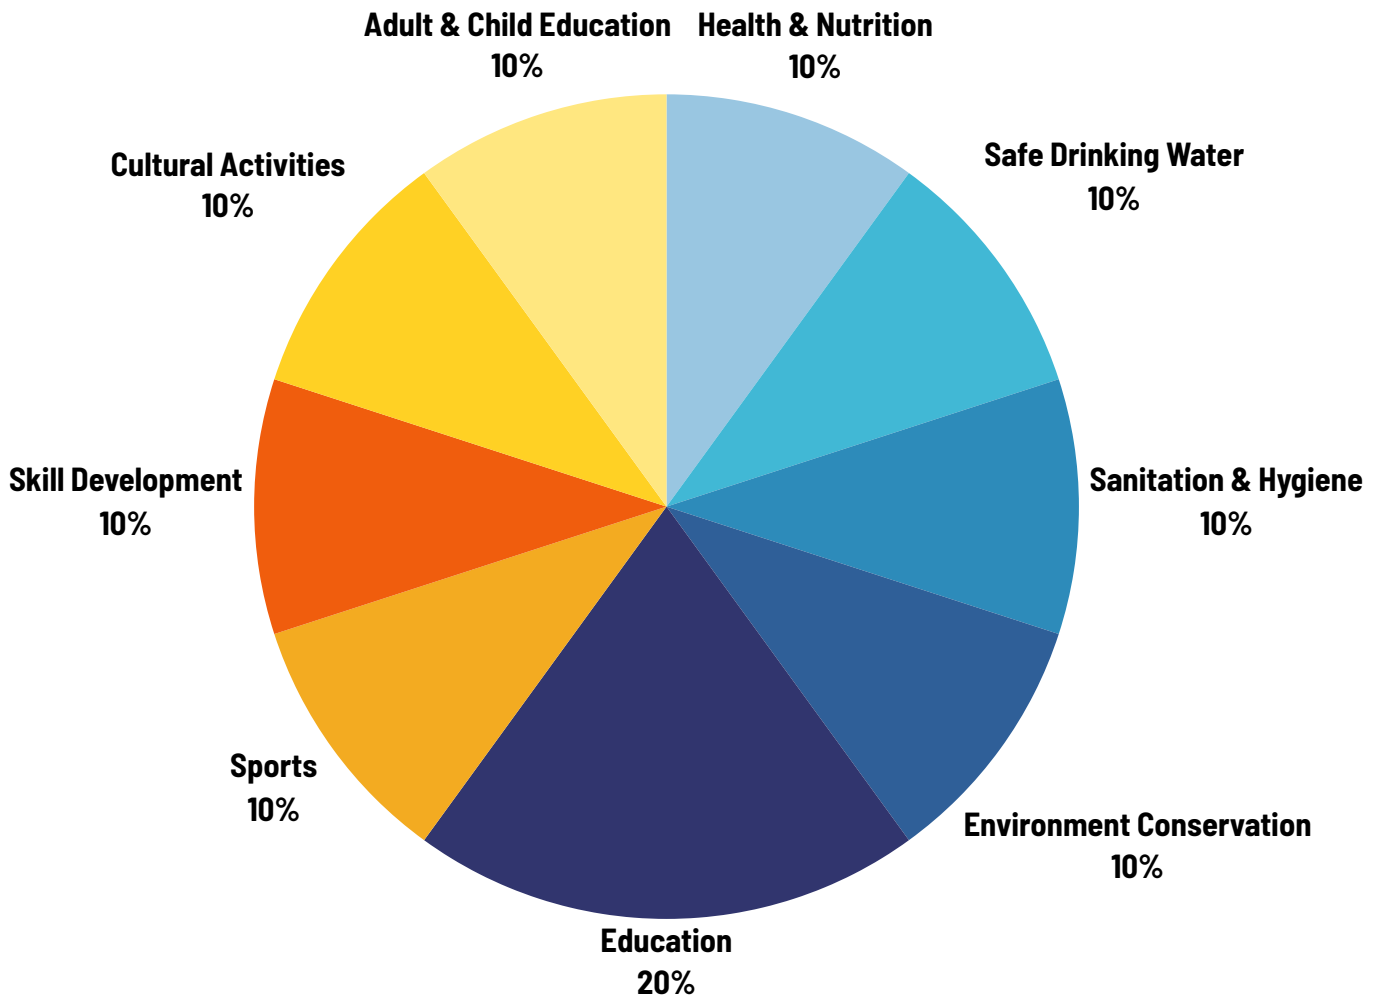

## **Financial Policy:**

Prudent financial policy is pursued to ensure transparency. A computerized financial package (tally system), is in place which ensures accuracy. Bank accounts are maintained with nationalized banks. Further programspecific accounts are opened and operated as per guidelines and requirements, if any of the concerned projects. Annual accounts are invariably audited by Chartered Accountant and the same are published for information of all concerned.

S. S. Social Foundation Trust provides all people who want to study in India and abroad, the selection of talent search on a merit base to provide flexible and professional also plays an important role in the development of our great nation.

# FOUNDER'S MESSAGE

It's now time to take this to the next level so we founded S. S. Social Foundation Trust. Myself Surendra Prasad and my wife Sharda Devi have started this organization to help and serve the destitute and aged people who are the "forgotten" members of society. Suffering in different ways is a reality in this worldly life, in and around us, in forms like abject poverty, physical, social, and mental backwardness, incurable diseases, debts, sudden death of dear and near ones, etc.

Although we can't solve all the problems of everyone, in small ways, can feed the hungry with a day's half meal or fill somebody's empty bowl, help the sick to be treated to save their lives, clothe the needy, thatch a leaky roof which are kind deeds the society expects from us.

To stretch out a helping hand to some of these affected people in our society and neighbourhood is the humble ambition and prime aim of the S. S. Social Foundation Trust Also, to activate senior citizens and retired hands amongst us into extending their time and capabilities for achieving the above goals.

**Surendra Prasad**  
**(Former Bank Manager)**  
**Founder/Chief Trustee**

# CHAIRMAN'S MESSAGE

**"Alone we can do so little. Together we can do so much."**

By the help of having a great and positive attitude to be a great human, I want all of us to have a great attitude to be on time, be prepared, and work with speed and correctly also since where are you and what are doing on the theme of success by the help of human resource give the response to the development of the nation.

we want to create a foundation for a healthy, educated, and developed nation for social revolution our aim to prepare professionals in different fields such as management, medical science, engineering & technology, and also social development.

# OUR TRUST'S REQUIREMENTS

## Fundraising

Funds are crucial for designing, implementing, and expanding various social programs, including education, healthcare, and community development initiatives. Financial resources are required to engage with and support marginalized communities, which often entails organizing awareness campaigns and outreach efforts.

## Volunteer

S.S. Social Foundation Trust relies on dedicated volunteers who contribute their time, skills, and passion to support various social welfare initiatives, fostering a sense of community and shared responsibility. Volunteers play a crucial role in the foundation's mission, helping to extend its reach and positively impact the lives of those in need.

## Recognition

Recognition is important for S.S. Social Foundation Trust to acknowledge the outstanding contributions of its volunteers, donors, and partners, fostering a culture of appreciation and motivation within the organization. Public recognition also helps in building trust and credibility, attracting more support and resources for the foundation's social welfare endeavors.
